

## **SATELLITE DISH PERMIT**

**Apply to:** Housing & Community Development Department

A permit is required before installing or materially reconstructing an antenna dish for the reception of television signals from Earth satellites.

- Submit site plan to the Zoning Office.
- Submit construction plans to the Building Department for review.

This guide is designed to serve as a reference for development and permit procedures for residents, builders, contractors, developers and other individuals interested in Marshalltown. The requirements of the City Code and other regulations have been summarized in order to provide basic information. Specific questions and requests regarding the information provided should be directed to the appropriate department.

The City will not be financially liable for mistakes made in the development/construction process. City employees perform only limited roles in these matters and do not work directly for the developer, owner, lender, or contractor. Be certain to obtain competent expert advice from consulting engineers, planners, lawyers, and surveyors.
