

WATER DEPARTMENT

205 East State Street

641.753.7913

Responsibilities of the Water Department

- Enforcement of all Local, State, and Federal standards for construction.
- Inspection of All Service Lines.
- Enforcement of Cross-Connection Program for the City.

This guide is designed to serve as a reference for development and permit procedures for residents, builders, contractors, developers and other individuals interested in Marshalltown. The requirements of the City Code and other regulations have been summarized in order to provide basic information. Specific questions and requests regarding the information provided should be directed to the appropriate department.

The City will not be financially liable for mistakes made in the development/construction process. City employees perform only limited roles in these matters and do not work directly for the developer, owner, lender, or contractor. Be certain to obtain competent expert advice from consulting engineers, planners, lawyers, and surveyors.
