Purpose: The Marshalltown Code of Ordinances include specific development standards for sidewalks. There are occasions, however, when the strict application of such standards may be inappropriate because of unique characteristics of the property. The deferment procedure is designed to permit adjustments to this requirement when there are unique or extraordinary circumstances applying to a parcel of land that prevent the practical installation of a sidewalk. The circumstances under which a deferment may be granted can be found in Section 26-45 of the Marshalltown Code of Ordinances.

Application Packet: Applications will not be accepted unless complete. All required items must be submitted with the application. Failure to complete and submit all the required materials as a part of this application will result in a delay in accepting your application until it is complete.

Submission Deadline: The Plan & Zoning Commission shall first review the proposal and make a recommendation to the Board of Adjustment. **Please refer to the attached deadline and meeting schedule. Attendance at all meetings is required.** The complete application with fee must be submitted by 5:00 p.m. on the deadline date to the Housing/Zoning Department Office, located on the first floor of City Hall, 24 N. Center St.

Board Meetings: The Board of Adjustment considers the facts presented by the applicant in the application and testimony given at the public hearing, and makes the final decision, based on the standards in the Ordinance. The Board meetings are held at 5:00 p.m. on the first and third Tuesday of each month in the City Council Chambers, second floor of City Hall, 24 N. Center St. Attendance at the meeting is required.

It is the burden of the property owner to provide sufficient facts with this application and at the Board of Adjustment meeting to support a finding that all the standards for approval have been met. The concurring vote of three (3) members of the Board is necessary to decide any issue before the board regardless of the number of members present at the meeting. The Board is a five (5)-member board. Appeals to the decision of the Board of Adjustment can be made in District Court.

All items listed must be submitted with this application:
