Planning and Zoning

To whom it may concern:

I am making a request to planning and zoning to approve a change to provide office/living quarters on my property known as Country Property Storage at 3201 S. 12<sup>th</sup> Street.

My reasons for this request are as follows:

1. I will be able to manage the property closer and there is a need to have an office for customers to conduct business.
2. Security will be increased. I have taken extra precautions to protect my customer's property. Having someone there 24/7 will thwart any activities that would do harm to my customer's property or my property.
3. The living quarters would be used as part of the compensation for the manager which is common practice for larger facilities. The fees to staff the property with 24 hour security and with an office manager would be cost prohibitive.

Thank you for your consideration of this request. I am available to answer any questions you might have, just let me know.
