

HOW THE PROCESS WORKS

1. **Tenant submits application** and is placed on the waiting list.
2. **Tenant attends briefing** meeting to learn about the program.
3. **Tenant eligibility determined.** Eligible tenants receive a Voucher
4. **Tenant finds housing** to rent. If their current unit qualifies, they can remain there. If it doesn't qualify or if the tenant wants to move, they must find a new unit.
5. **Request for Tenancy Approval** form is completed and signed by the landlord and tenant and submitted to the Housing Department.
6. **Housing Inspection** is scheduled by the Housing Dept. within 15 days after the Request for Tenancy Approval form is submitted.
7. **Inspection results** determine what happens next. If the unit does not pass inspection, the problems must be corrected before the tenant can receive assistance for that unit.
8. **Unit passes inspection.**
9. **Paperwork is completed** and the landlord and tenant will be contacted by phone to sign the lease at the Housing Department office.
10. **Tenant moves** into the unit.

HOUSING INFORMATION

- Privately owned houses, duplexes, apartments and mobile homes that meet HUD Housing Quality Standards (HQS) and pass inspection are eligible for participation with the program. HUD regulations specify that a program participant may NOT rent from a relative.

- The housing cannot be too expensive for the tenant. Too expensive is defined as the tenant paying more than 40% of their adjusted gross income as their share of the rent.
